TT Windows Minimizer Synopsis

TT Windows Minimizer is an X_TRADER® plug-in application for any TT customer including a risk administrator, brokerage desk or trader. It makes it easy to quickly hide the myriad of TT windows that can exist in a trader's workspace. With the single click of a button, all TT windows are minimized to the Windows® taskbar. With a second click, all TT windows will re-appear in their original locations. TT Windows Minimizer also can be configured to minimize the windows of any other application running on a trader's desktop.

Key Features

- Minimizes all TT windows with a single click to reveal the trader's desktop or other applications that are currently running
- Restores a minimized TT workspace with a single click
- Configurable to minimize other applications' windows

Requirements: None

Suitable Market: All TT Customers

Users interested in this product also might be interested in Quick MOW™, SOD Chopper™ and Quick Delete. Ask your Sales Account Manager or Professional Services Consultant today for more information about these products.
